Japan Family Trip Notes

Travelers: parents, first self-managed international mobile data setup.
Dates: 8 days in June 2026.
Route: Tokyo arrival, Osaka departure.
Main phone uses: WeChat, maps, translation, occasional video calls.
Priority: stable and simple setup; budget should stay reasonable.
Open items:
- Choose travel eSIM, carrier roaming, or local SIM.
- Prepare setup instructions before departure.
- Keep hotel, passport, insurance, and emergency contacts together.
- Add reminders for activation, data test, and offline maps.
